

Strengths

- Good communication
- Punctual
- Good knowledge of equipment and software's
- Excellent team/individual worker
- Hard worker
- Good editing skills
- Quick learner
- Competitive
- Good computer skills
- Passionate
- Great listener

Weakness

- Voice my opinion a little more
- Spend too much time on a project when there are others at hand
- Perfectionist
- Can be too nice and need to draw a line to not be walked on in the industry
- Can sometimes end up completing work of another individual as they either do not know what to do or become lazy

Opportunities

- In the process of creating a professional website for a well known celebrity hair stylist abroad
- Trying to gain great contacts from the industry but so far approached Andy Whitmore
- Always take professional videos and images of interesting places I go to
- So many opportunities to take within Coventry University and I have joined a project called CVTV and going to be part of a big project at the end of this year with the university

Threats

- Competitions within the industry
- Opportunities which I would love to take but the cost is my kryptonite i.e. USA
- Technology changes so much and I hope I can stay up-to-date with all the changes
- Some of my weaknesses

Development

- Been involved in many school plays, concerts, drama productions etc
- I constantly create media artefacts to edit on my favourite editing software Adobe Premiere Pro and edit sound on new software's
- What I want I get because I fight for it
- I travel quite a bit abroad and within the UK

Solution

- I use my calendar as I always look at it and see what is approaching so that I do not forget anything
- Extremely committed to anything which comes my way and give it 110%
- Failure is not an option

Response

- Created many media artefacts from stop motion, photography, documentaries, films, adverts you name it I did it
- Would like to get into the entertainment industry. Media is ever changing which makes it all the more exciting and challenging, it always keeps you on your toes
- I have always kept everything I have created and put them into a scrap book

Response

- I intend to be the best, and make the most out of life
- Intend to continue creating much more during any spare time I have
- Searching for a job currently as money allows you to get to places
